

Technical Information Sheet Art.-Nr.972
Green by Lithofin Sanitary Cleaner

Green by Lithofin products are high-quality cleaners designed on a plant-based biodegradable formula. The traceable origin of certified ingredients allows us to declare cleaners of this product line as vegan, GMO free and microplastic-free.

Green by Lithofin Sanitary Cleaner is based on natural, organic acids and removes limescale stains, soap residues and lime deposits in the bathroom and shower. Designed with hypoallergenic fragrance for natural freshness. Free of preservatives.

Technical Data	
Density: approx. 1,0 g/cm ³	Appearance: liquid, green
pH- Value: approx. 2,2	Odour: perfumed

Field of Use

For cleaning shower enclosures and walls made of plastic, stainless steel and glass, for shower curtains, ceramic tiles and fittings.

Removes dirt, soap residues and lime deposits.

Please Note: Not suitable for polished marble and limestone. Cementitious joints are not acid resistant and must be pre-wetted.

Directions for Use

Pre-wet the surface to be cleaned. The ideal application is directly after showering. Set nozzle to "on" and spray the wet surface. Allow foam to act for approx. 5 minutes and rinse with water. After use, set nozzle to >off< and moisten entire surface, if necessary use cloth or sponge to distribute. In case of stubborn dirt deposits, repeat the process or support mechanically with a sponge or cloth. Rinse off with water.

Please Note: Do not use on sensitive surfaces, such as marble, copper, bronze, nylon, and the like. Test on an inconspicuous area prior to use.

Coverage: Approx. 30 m²/litre; depending on the strength of the soiling.

Storage

Closed, upright, cool, up to 3 years.

Environmental Protection

The contained surfactants are biodegradable according to regulation (EC) No. 648/2004 (detergents regulation).

Disposal: waste code according to AVV 06 01 06*.

Container is made of 100% recycled polyethylene (PE) and is recyclable and can be recycled (see information on label).

Environmental Protection

UFI: HFP2-40NX-W00Y-TQ87
